As we entered the 2018 Campaign, the nation’s economy looked strong; however, there were still many families struggling to make ends meet. As expected, early reports from local coordinators consistently spoke of a continued heavy demand for toys. Fortunately, initial individual toy donations were good, and our long-term GIK Corporate Sponsors were responding positively. With the loss of Toys “R” Us, our number one corporate sponsor for 14 years, having other sponsors step-up was critical. The campaign turned out to be extremely rewarding as the American public and our Corporate Sponsors once again rallied behind the program and both GIK and monetary donations remained strong. Our Reserve Units and our Local Campaign Coordinators performed superbly, and Toys for Tots enjoyed an extremely successful campaign. A number of records were set in monetary donations, and our total revenue of over $283 million was our best year on record. We also retained a very enviable “program to support ratio” of 97 to 3.

As a result of our successful campaign, our Marines and volunteers distributed 18.6 million toys to over 7 million less fortunate children. Local campaigns were conducted in 805 communities covering all 50 states, the District of Columbia, Puerto Rico, Guam, and the Virgin Islands. The Foundation supplemented local toy collections with over 6.1 million toys valued at $70 million. Because of the increase in demand, the Foundation spent $7 million more on toys than we had budgeted.

As I mentioned earlier, the Marine Toys for Tots Foundation had our most successful campaigns in terms of fundraising. 2018 fundraising numbers: the Direct Mail Campaign raised $25.8 million; Corporate Sponsor monetary and GIK contributions totaled $42.0 million; website donations totaled $6.7 million; and unsolicited donations were $14.6 million. Each of these amounts exceeded our highest expectations, and in most cases, established all-time highs for that particular category.

Key to the successes we enjoyed last year was the tremendous effort of the Marines assigned to Marine Forces Reserve and the tens of thousands of volunteers from towns and cities across our nation. Toys for Tots was blessed in 2018 to once again have the support of our First Lady, Melania Trump, as our number one volunteer. Mrs. Trump’s support was instrumental in helping us broadcast our message to the American public. Please see the separate article about the First Lady’s participation.

Another key factor in our successes last year was exposure. In our quest to maximize our exposure, the Foundation continued three very successful initiatives, the Hollywood Christmas Parade benefiting Toys for Tots, the ringing of the Closing Bell at the New York Stock Exchange, and our growing relationship with teams in the National Football League. Additionally, we celebrated the 20th Anniversary Holiday Train delivering toys to less fortunate children in New York. There are separate articles in the Annual Report that provide details on these events.

Overall, 2018 was a very productive year for the Marine Toys for Tots Program. I am pleased to report that our Marines and volunteers who conducted the 805 Campaigns across our country performed exceptionally well. The spirit of teamwork that existed throughout Toys for Tots was inspirational. As we begin our 2019 Campaign, I am sure there will be many challenges; however, I remain confident we will succeed. In view of the experience, competence, and dedication of our outstanding Board of Directors, the leadership and dedication of the Marines of Marine Forces Reserve, and the passion and hard work of our wonderful volunteers, the future of the U.S. Marine Corps Reserve Toys for Tots Program is indeed bright.

First Lady Melania Trump Rejoins the Toys for Tots Team for a Second Year

In early December, Lieutenant General Pete Osman, the President & CEO of the Marine Toys for Tots Foundation, was notified that First Lady Melania Trump would once again be supporting Toys for Tots during our 2018 Campaign. On December 11th, Mrs. Trump arrived at our Marine Toys for Tots warehouse in Washington, DC to conduct a media event, assist with the sorting of toys, conduct a craft session with the children of military service members, and personally thank the many volunteers who assist with the Washington, DC Campaign.

Before introducing the First Lady, General Osman, thanked Mrs. Trump for her support of military families and for her continued interest in and support of the Marine Toys for Tots Program. General Osman noted that her participation with Marine Toys for Tots would greatly assist in our efforts to energize the public to support this year’s campaign.

General Osman then introduced Mrs. Trump who spoke of the sacrifices of our military members and their families and noted that there were many service members deployed overseas who would be spending Christmas away from their families. Mrs. Trump also provided an extemporaneous narrative on the history of Toys for Tots and the impact that it has had on America’s less fortunate children over the past 70 years.

Following the media event the First Lady rolled up her sleeves and spent nearly an hour assisting volunteers with the sorting of toys, conduct a craft session with the children of military service members, and personally thanking all the volunteers for all they were doing to help bring the joy of Christmas to less fortunate children. She also posed for many photos.

The First Lady’s support of the Marine Toys for Tots Program certainly generated a great deal of media interest and exposure and was one of the keys to our very successful 2018 Campaign.
Toys for Tots Rings the Closing Bell at the New York Stock Exchange

On November 23rd, “Black Friday”, the President & CEO of the Marine Toys for Tots Foundation, Lieutenant General Pete Osman and Santa Tim Connaghan, together with Marines from 6th Communications Battalion rang the Closing Bell at the New York Stock Exchange in honor of the 71st Anniversary of the Marine Toys for Tots Program. Joining General Osman and Santa Tim on the Exchange Platform were Captain and Mrs. Russell Green, Staff Sergeant and Mrs. Landon Dahmes, Staff Sergeant and Mrs. Richard Warren, Staff Sergeant Jordan Torres, Sergeant Jaime Garcia, Lance Corporal Emily Phillips, and Lance Corporal David Philips. Ringing the Bell on “Black Friday” serves as a great reminder to the American Public to purchase a toy for a less fortunate child when one hits the stores on the biggest shopping day of the year.
Hollywood Christmas Parade Supports Toys for Tots

On 25 November the President & CEO participated in the 10th Annual “Hollywood Christmas Parade featuring Marine Toys for Tots”.

The Hollywood Christmas Parade has been an American tradition for over 85 years. Conducted in the heart of Hollywood, right down Hollywood Boulevard, the parade has been a longtime favorite of TV and movie personalities. Over the years, a number of well known celebrities have served as Grand Marshal to include Cecil B. DeMille, Charlton Heston, Bob Hope, “Magic” Johnson, Mickey Mouse, Roy Rogers, Mickey Rooney, Arnold Schwarzenegger, Jimmy Stewart, The Simpsons, and many others. This year’s Grand Marshal was the popular TV personality, Nancy O’Dell. The 2018 Hollywood Christmas Parade was once again filmed, edited, and made into a television production and aired nationally by the CW Television Network and the Hallmark Channel. The production was also in national syndication in over 90% of the country, making the 2018 Parade available to the largest television audience in its history. Actor Erik Estrada (CHIPs) and television host Laura McKenzie (World’s Funniest Moments) once again served as parade broadcast hosts. In addition to the Marine Band from Marine Corps Recruit Depot San Diego, who led the Parade, there were celebrities from film, television, and stage, award-winning bands, equestrian groups, floats and giant balloons. Marine presence was scattered throughout the Parade from the Red Carpet area to riding with Santa on his sleigh. The official Hollywood Santa, Tim Connaghan, has become a huge supporter of Toys for Tots and joined us in a number of other Toys for Tots events throughout the campaign season.

Bill Abbott, President & CEO, Hallmark Channels said, “Hallmark Channel and Hallmark Movie Channel are America’s family networks and are a touchpoint in many homes throughout the holidays. We are enthusiastic supporters of Toys for Tots and are grateful to have our networks, Toys for Tots, and the Parade come together to help less fortunate children.”
Supreme Court Supports Toys for Tots

On the 14th of December, the President & CEO, Lieutenant General Pete Osman, together with Major General Brad James, Acting Commander Marine Forces Reserve, and Marines from the Washington, DC area Reserve Unit were invited by Chief Justice John Roberts to the Supreme Court’s annual Christmas Party. During a private meeting in Chief Justice Roberts’ Chambers prior to the party, he reiterated his great respect and support for the Marine Toys for Tots Program. After a brief discussion of the 2018 Campaign, we adjourned to the Great Hall to join the other Justices and the Supreme Court staff. Chief Justice Roberts welcomed all and spoke briefly about the Marine Toys for Tots Program before presenting hundreds of toys donated by the staff and members of the Supreme Court. Many then joined the Chief Justice for the annual singing of Christmas Carols.

NFL Teams Support Toys for Tots

For the 2018 Toys for Tots Campaign, nearly all NFL teams once again joined forces with the Marine Corps for local toy drives benefiting the Marine Toys for Tots Program. From 18 November to 16 December, football fans across the country spread the joy of the holidays while cheering on their favorite team. During this period, NFL teams across the country hosted toy drives during one of their home games. Fans were encouraged to bring new unwrapped toys to the stadium on game day, where Marines collected them for distribution within their communities. Cash donations were also collected at the games and fans were also encouraged to make online and text donations.

The Marine Toys for Tots Foundation will be working with local coordinators and the NFL in 2019 to further maximize the potential of this Program.

72nd Anniversary Toys for Tots Poster

The 72nd Anniversary promotion poster was designed by LtCol Keith McConnell, USMCR (Ret). Colonel McConnell has designed a number of Toys for Tots promotion posters in the past to include the 50th and 60th Anniversary posters. The 2019 poster has been used in previous years and is considered by many the all-time favorite. All previous Toys for Tots posters can be viewed on the Foundation’s website.
20th Annual Toys for Tots Holiday Train

On December 1, 2018 the President & CEO participated in the 20th Annual Toys for Tots Holiday Train conducted by the Marine Toys for Tots Campaign in Albany, New York. This year’s Holiday Train delivered over 20,000 toys to less fortunate children along the rail line from Binghamton to Delanson, New York. Toys were distributed at four stops: Bainbridge, Oneonta, Cobleskill, and Delanson. This economically depressed area has been hit particularly hard during our recent recession, so this year’s Train Lift took on added importance. Added to the challenges this year was the absence of Amtrak, who after 7 years of tremendous support, had to step down. Fortunately, Norfolk Southern Railroad came to the rescue and this vital and wonderful holiday tradition continued. Central to this year’s success was Mr. Bennett Levin of Philadelphia, PA who secured Norfolk Southern’s support and also added his two personal vintage rail passenger cars to the effort. Also joining in the 20th Anniversary Holiday Train was Mr. Joe Boardman, former President & CEO of Amtrak, whose personal support had made Amtrak such an important part of the program in the past.

The man primarily responsible for bringing the entire event together, however, was the Marine Toys for Tots Coordinator for the Albany area, retired Gunnery Sergeant Vinny Roman. In addition to coordinating the collection and distribution of the 20,000 (+) toys, Gunnery Sergeant Roman had to coordinate the efforts of local police departments, government officials, local businesses, media coverage, messeng support, countless volunteers, and several rail companies. Gunnery Sergeant Roman did a remarkable job of coordinating all
the “moving parts”, and the entire event was an unqualified success. It’s important to realize that in addition to the Holiday Train, the Gunny and his magnificent team helped to bring the joy of Christmas to over 160,000 children in the central New York area.

In previous years, the Holiday Train would travel a second day from Albany, NY to Rouses Point, NY on the Canadian border. Although there was no train available, that did not deter Gunnery Sergeant Roman and his extraordinary team of volunteers. Gunny Roman planned a tractor trailer and bus convoy on 8 December that assisted the residents of Northern New York as in previous years. Volunteering the entire day as well was Congresswoman Elise Stefanik who represents New York’s 21st District.

The Toys for Tots Train Lift has proven to be an exceptional example of the community outreach capabilities of the Marine Toys for Tots Program. This single event brought the joy of Christmas and sent a message of hope to thousands of less fortunate children while bringing America’s Marines to the American people in a very special way.
Disney store | shopDisney Launched Nation-Wide Toy Drive and Matched $5 for every Toy Donated

Disney’s support of Toys for Tots spans back to the company’s very beginning when Walt Disney himself designed the first national Toys for Tots poster in 1948, marking the birth of a strong relationship that has lasted for over 71 years. Disney’s cash contributions of millions of dollars, combined with their toy donations over the years have supported Toys for Tots in delivering a message of hope to millions of less fortunate children.

Disney’s 2018 Toys for Tots campaign was nothing short of exceptional. Disney stores conducted toy drives at all U.S. retail store locations and collected many thousands of toys that were distributed to local children-in-need. Additionally, Disney enhanced their toy drives by matching $5 for every toy donated at a Disney store or online through shopDisney.com up to $1 million! As if that were not enough, Walt Disney Television engaged their many viewers by promoting Toys for Tots through public service announcements and incorporated Toys for Tots mentions and signage during on-air programming, all encouraging the public to support their local Toys for Tots campaigns.

Hasbro Inspires Kindness

A corporate partner for 22 years, Hasbro has helped to deliver nearly 6 million toys and games nationwide through its annual support of Toys for Tots. Hasbro’s signature philanthropic initiative, BE FEARLESS BE KIND, inspires youth to be kind and make a difference. For the second year in a row, Hasbro matched up to one million gifts for every toy or game donated, inspiring kindness in individuals knowing that one donation to the local Toys for Tots unit will provide two gifts for children in need. In addition to supporting children in all 50 states, Hasbro toys were also delivered to children impacted by hurricanes Florence and Michael, as well as families who suffered from the devastating California wildfires. Their 2018 contribution included 1,079,508 toys and games valued at nearly $11 million.
The UPS Store Supports Childhood Literacy

The UPS Store is the original partner and sponsor of the Marine Toys for Tots Literacy Program. Approximately half of their 4,700 stores collect cash donations throughout the holiday to support literacy. Since 2008, The UPS Store has raised over $4 million and helped Toys for Tots distribute 39 million books to disadvantaged children. Committed to promoting literacy, The UPS Store made their third appearance presenting a float in the Tournament of Roses Parade. Their award-winning float “Books Keep Us On Our Toes” was designed to inspire children to experience life through the joy of reading.

To celebrate their 10th anniversary of sponsoring the Toys for Tots Literacy Program, The UPS Store donated $100,000 worth of books to children-focused non-profit organizations. From over 1,000 contest submissions, The UPS Store has chosen 10 organizations that support children’s literacy in low-income and disadvantaged communities to each receive $10,000 in books. Congratulations to the winners!

Build-A-Bear & Toys for Tots Partnership

Since 2007, Build-A-Bear has been a valued Toys for Tots partner, helping to fulfill the Christmas dreams of disadvantaged children who otherwise may have been forgotten. Build-A-Bear’s 2018 campaign was hugely successful, through which they raised over $373,000 and donated 20,000 plush bears valued at $240,000.

Support from Build-A-Bear over these past 11 years has positively impacted communities in all 50 states, with a total of $11.5 million in funds and furry friends donated to Toys for Tots — directly impacting more than 820,000 less-fortunate children!
Selecting the annual Toys for Tots Campaigns and Coordinators of the Year has become a very challenging process. Nominations are submitted, internal administrative reviews of each campaign are conducted, and difficult decisions are made. Although the economy appears to be fully recovered from the 2008 recession, for those in the lower economic groups this is simply not the case. The demand for toys continues to be high and fortunately our Corporate Sponsors and the American public continue to rally around the program. The hard work of our Coordinators ensures this support is maximized to ensure we reach as many of America’s less fortunate children as possible.

“The Marine Corps Toys for Tots Program exemplifies the very best of American ideals and caring for those who are less fortunate. Thank you for sharing...”
On Monday May 20, 2019, participants in the 2019 Marine Toys for Tots Foundation Golf Classic gathered at the Mount Vernon Country Club in Alexandria, Virginia to launch the Marine Toys for Tots Foundation’s 2019 national fundraising campaign. This was the twenty-fourth annual Marine Toys for Tots Foundation Golf Classic. The weather was perfect, and the players enjoyed a great golf outing with lots of camaraderie.

Forty-one corporations/business groups, from throughout the nation, supported this year’s tournament while donating over $140,000. The 108 participating golfers represented 28 of these corporations and included corporate executives, Marine Corps officials and Toys for Tots supporters.

The tournament, which began with a shotgun start at 9:00 a.m., was preceded by a continental breakfast and followed by a luncheon and awards ceremony. The format was a best ball scramble. Team winners were selected based on either team low gross scores or team low handicap adjusted scores. Team prizes were presented in two categories: The Commandant’s Flight (gross scores) and the President’s Flight (handicap adjusted scores). Prizes were presented to the first through third place teams in the Commandant’s Flight and to the first through sixth place teams in the President’s Flight. Individual prizes were presented for the longest drive, straightest drive and closest to the pin. Hole-in-one prizes were available on each of the four par 3 holes.

Each player received a Toys for Tots Favor Bag which included a golf shirt, golf cap, golf towel, tees, divot tool, and one dozen golf balls. Participants had an opportunity to bid on seventeen silent auction items and to win one of six raffle prizes. Team photos were presented to each participant.

The Commandant’s Flight (team low gross score) was won by the team representing Lindbergh Photography and the President’s Flight (team handicap adjusted score) was won by the RSM Team.
2019 Marine Toys for Tots Reception and Parade

On the evening of 7 June, at the invitation of the Commandant of the Marine Corps, Ms. Cora Storbeck, President of Hallmark Corporate Foundation served as the Guest of Honor and the Parade Reviewing Official for the Evening Parade at Marine Barracks, Washington, DC. Ms. Storbeck has served as President of the Hallmark Corporate Foundation for over nine years. Over the past decade Hallmark has served as a Corporate Sponsor for Marine Toys for Tots having contributed over $6 million in monetary and gift in kind donations and airing annually the Hollywood Christmas Parade which benefits Toys for Tots. The Parade was preceded by a reception in Crawford Hall hosted by the Foundation’s Directors. In attendance at the reception were the Foundation’s Board of Directors and their spouses, as well as a number of friends and supporters of the Toys for Tots Program and the Marine Corps. Lieutenant General Michael Dana, Director of the Marine Corps Staff, served as the General Officer host for the evening. He welcomed all to the reception and parade, and then introduced the President & CEO of the Marine Toys for Tots Foundation, Lieutenant General Pete Osman. General Osman thanked all for their support of the Marine Toys for Tots Program and gave a brief overview of our 2018 Campaign. Before introducing Ms. Storbeck, General Osman highlighted the strong support Marine Toys for Tots has received from Hallmark and Ms. Storbeck’s years of leadership with Hallmark. Ms. Storbeck spoke about the great impact that the Marine Toys for Tots Program has had on America’s less fortunate children and how proud Hallmark is to have been associated with the Marine Toys for Tots Program the past nine years. The evening was an inspiration for all in attendance and provided an excellent opportunity to highlight the Marine Toys for Tots Program to the over 4000 people attending the Evening Parade.
General Counsel Steps Down

Mr. William W. (Bill) Chip, Esq. stepped down as the Foundation’s General Counsel on 30 September 2018. Mr. Chip had served as the Foundation’s pro bono General Counsel for 25 years. Joining the Foundation in its early years, he played a critical role in resolving serious legal and financial problems that were jeopardizing the very existence of the Marine Toys for Tots Program. He was instrumental in the revitalization and transformation of the Program in the 1990’s and helped lead the dramatic growth of the Foundation’s capabilities and productivity during the early 2000’s through the present. During his tenure as General Counsel the Foundation advanced from a charity that was $1 million in debt to one with an annual revenue in excess of $280 million. During his 25 years the Program has experienced unprecedented growth from 180 local campaigns in 1993 to over 800 this past year. During his 25 years, Mr. Chip personally provided millions of dollars’ worth of pro bono legal counsel while also leveraging support from his law firm, Covington & Burling.

Mr. Chip has made an immeasurable impact on the Marine Corps and its magnificent Toys for Tots Program. Most importantly, however, through his selfless efforts millions of less fortunate children have experienced the joy of Christmas and received a message of hope that otherwise would not have been there. In recognition of his many valuable contributions to the Department of the Navy and the U.S. Marine Corps, the Secretary of the Navy presented Mr. Chip with the Department of the Navy Distinguished Public Service Award. On November 15th, the Marine Toys for Tots Foundation hosted a special dinner recognizing Bill Chip. In the presence of all current and former Directors, friends, and his family, Mr. Chip was presented his Distinguished Public Service Award.

As a follow-up, two bits of good news:

First, our initial fears of how to replace Bill Chip were quickly resolved when one of our sitting Directors, Mr. Ralph Dengler, Esq., who is a distinguished attorney with Venable Law Firm, volunteered to serve as the Foundation’s pro bono General Counsel. Mr. Dengler, a retired Marine Colonel, has served as a Director for the past four years, and enjoys the strong support of his law firm, which will provide him any back-up services he needs as our new General Counsel. The Foundation is indeed very fortunate to have Mr. Dengler as its General Counsel.

Second, Marine Toys for Tots will not be losing the services of Bill Chip as he has volunteered, and been unanimously elected, to serve as a member on the Foundation’s Board of Directors. Welcome back, Bill!

“The value of Toys for Tots to the Marine Corps and the Reserve establishment: Priceless!”
The Founder and the Logo Creator

The Founder of Toys for Tots was the late Colonel William L. Hendricks, USMCR (Ret). In the middle 1940’s, Bill Hendricks was the Director of Public Relations for Warner Brothers Studio and concurrently a Major in the Marine Corps Reserve. In the fall of 1947, Bill, with the assistance of members of his Marine Reserve Unit, collected and distributed toys to needy children of Los Angeles, CA. The first toy was a handmade doll crafted by Bill Hendricks’ wife, Diane. Bill Hendricks’ pilot project was such a success that the Marine Corps adopted it and expanded it nationwide in 1948. That year, Walt Disney, a close personal friend of Bill Hendricks, designed the first Toys for Tots poster which included a miniature three-car train that was subsequently adopted as the Toys for Tots logo.
