Introduction

Established in 1947, Toys for Tots is the U.S. Marine Corps’ premiere community action program and America’s most popular Children’s Christmastime Charity. It is the combined efforts of the U.S. Marine Corps Reserve and the Marine Toys for Tots Foundation. Our mission today is the same as it was in 1947: to bring the joy of Christmas to America’s less fortunate children.

Toys for Tots is a National program with a local touch – we have over 800 local toy collection and distribution programs in most major market areas in all 50 states, DC, Guam and the Virgin Islands.

Each local Toys for Tots Program is run by a Marine Reserve unit, Marine Corps League Detachment, or other community organization with each campaign headed by a Toys for Tots Coordinator who organizes a seasonal campaign from October through December. Their primary focus is to collect, sort and distribute toys to less fortunate children in their local area. Each Coordinator:

- Establishes a volunteer network
- Works with local businesses and organizations to help collect toys, raise dollars and promote the program within the community
- Distribute toys, books and gifts to children-in-need within the local area

The Marine Toys for Tots Foundation, an IRS recognized 501(c)(3) not-for-profit public charity, is the fundraising, funding and support organization for the U. S. Marine Corps Reserve Toys for Tots Program.

Partnering with Toys for Tots can help with your corporate image creating an association with a highly regarded charity running a positive social program. People support companies that support their charities.

People want to feel good at Christmas and we make it easy.

- Toys for Tots provides a positive, uplifting social program
- A person can literally fix a problem with a single donation – a $10 gift will provide a package of toys and fulfill the Christmas holiday dreams of one child-in-need.

Who better tells the story of Christmas than Toys for Tots?

Supporting Toys for Tots:

- Invokes patriotism by supporting a U.S. Marine Corps program
- Tugs at heartstrings by helping children-in-need
- During America’s favorite holiday: Christmas!

Last year, Toys for Tots distributed 18.5 million toys to over 7 million less fortunate children!

Ways to Support as a Corporate Partner

There are many ways to support the Toys for Tots Program

- Make a Corporate Donation
- Encourage Employee Donations with Corporate Matching Gift
- Conduct a Cause Marketing Campaign
- Conduct a Fundraising Event
- Allow your customers to donate at checkout with a point-of-sale transaction
- Donate Gift-in-Kind (New Toys and/or Books)
- Donate a Service (Typically Media Advertising; Warehouse Space; Logistics Support)

Many of our Corporate Sponsors also conduct **Toy Drives**.

Toy Drives are considered local events and must be coordinated with your local Toys for Tots representative.

The monetary value of toys collected from a company-sponsored toy drive is not included as part of the overall contribution of a corporate sponsorship. Although we greatly appreciate the locally donated toys (as do the children receiving them!), the IRS does not allow us to acknowledge the party hosting a toy drive. It is the individual(s) donating a toy that can take the tax credit.

The Founder and the Logo Creator

The Founder of Toys for Tots was the late Colonel William L. Hendricks, USMCR (Ret). In the middle of the 1940’s, Bill Hendricks was the Director of Public Relations for Warner Brothers Studio and concurrently a Major in the Marine Corps Reserve. In the fall of 1947, Bill, with the assistance of members from his Marine Reserve unit, collected and distributed toys to the less fortunate children of Los Angeles, CA. Bill Hendricks’ pilot project was such a success that the Marine Corps adopted it and expanded it nation-wide in 1948. As a personal friend and as a favor to Bill, Walt Disney designed the first Toys for Tots poster which included a miniature three-car train that was subsequently adopted as the Toys for Tots logo.
