MARINE TOYS FOR TOTS PROGRAM

Marketing Guidelines
For Corporate Partners
Introduction

The U.S. Marine Corps has long valued the strong ties binding Community, Country and Corps and continually strives to strengthen the connection between America’s Marines and the public it serves through community engagement.

Established in 1947, Toys for Tots is the U.S. Marine Corps’ premiere community action program and America’s most popular Children’s Christmastime Charity. It is the combined efforts of the U.S. Marine Corps Reserve and the Marine Toys for Tots Foundation. Our mission today is the same as it was in 1947: to bring the joy of Christmas to America’s less fortunate children.

Toys for Tots is a National program with a local touch – we have nearly 800 local toy collection and distribution programs in most major market areas in all 50 states, DC, & U.S. Territories which distributes an annual average of 18 million toys to 7 million children-in-need.

Toys for Tots enjoys a 70-year history and exemplifies the qualities and standards the U.S. Marine Corps has held in high regard since 1775. As an official activity of the Marine Corps, it is imperative that the Toys for Tots’ widely known name and logo are used and affiliated with in a manner that protects the image and reputation of both the USMC and the Toys for Tots Program.

It is the hard work of the Marines and many volunteers, combined with the incredible generosity of the American public as well as support from national and local partners that allows the Toys for Tots Program to help so many less fortunate children each year.

As a valued community partner integral to the success of our program, we appreciate your support greatly and offer this guide to help simplify your engagement with Toys for Tots.

The Founder and Logo Creator

The Founder of Toys for Tots was the late Colonel William L. Hendricks, USMCR (Ret). In the middle of the 1940's, Bill Hendricks was the Director of Public Relations for Warner Brothers Studio and concurrently a Major in the Marine Corps Reserve. In the fall of 1947, Bill, with the assistance of members from his Marine Reserve unit, collected and distributed toys to the less fortunate children of Los Angeles, CA. Bill Hendricks' pilot project was such a success that the Marine Corps adopted it and expanded it nation-wide in 1948. As a personal friend and as a favor to Bill, Walt Disney designed the first Toys for Tots poster which included a miniature three-car train that was subsequently adopted as the Toys for Tots logo.

Identity Guidelines

In its 70-year history, Toys for Tots has become the country’s premiere children’s Christmastime charitable cause. The success of the program in the number of children supported year after year can be directly attributed to the generosity of the American public. The Toys for Tots logo and a U.S. Marine wearing his/her Dress Blue uniform is the face of the program and it is imperative that our name and reputation be maintained by the high standards the Marine Corps has lived up to for so long.

Because the Toys for Tots brand cannot be compromised, we have created this guide to assist your marketing initiatives that will preserve the integrity of our image. In an effort to ensure consistency and appropriate use, all materials that include a mention of the Toys for Tots name and/or logo must be shared with and approved by the Marine Toys for Tots Foundation for national use or by a local Toys for Tots Coordinator for local use.

**Mission**

The mission of the U. S. Marine Corps Reserve Toys for Tots Program is to collect new, unwrapped toys during October, November and December each year, and distribute those toys as Christmas gifts to less fortunate children in the community in which the campaign is conducted.

**Goal**

The primary goal of Toys for Tots is to deliver, through a new toy at Christmas, a message of hope to less fortunate youngsters that will assist them in becoming responsible, productive, patriotic citizens.

**Objectives**

The objectives of Toys for Tots are to help less fortunate children throughout the United States experience the joy of Christmas; to play an active role in the development of one of our nation’s most valuable resources – our children; to unite all members of local communities in a common cause for three months each year during the annual toy collection and distribution campaign; and to contribute to better communities in the future.

**Activities**

The principal Toys for Tots activity which takes place each year is the collection and distribution of toys in the communities in which a Marine Corps Reserve Unit is located. In communities without a Reserve Unit, the campaign can be conducted by a Marine Corps League Detachment or group of men and women, generally veteran Marines, authorized by Marine Toys for Tots Foundation to conduct a local Toys for Tots campaign. Local Toys for Tots Campaign Coordinators conduct an array of activities throughout the year, which include golf tournaments, foot races, bicycle races and other voluntary events designed to increase interest in Toys for Tots, and concurrently generate toys and monetary donations.
