U.S. Marine Corps Reserve Toys for Tots Program

Program Overview

Toys for Tots, a 76-year National charitable Program run by the U.S. Marine Corps Reserve, provides joy, comfort, and hope to less fortunate children across the Nation through the gift of a new toy or book.

Since 1947, the Program has evolved and grown exponentially having delivered hope and the magic of Christmas to over 291 million less fortunate children. Because the need for assistance isn't seasonal, the Toys for Tots Program also provides support and hope beyond the holidays.

In 2022, the Program achieved record-breaking milestones.

24.4M toys distributed

9.9M children supported
220K Native American children supported
450K Foster Children supported

6.5M books distributed
